KEY RISKS

If you seek to realise your investment before 28th January 2030 you may lose some, or all, of the money you invest. The amount you receive may be less than the capital secure amount. Liquidity is only available in normal market and funding conditions.

Current Irish taxation legislation does not allow for a clear categorisation of this product as being subject to Capital Gains Tax (CGT) and there is a risk an alternative taxation basis may apply. The return on your investment in this product may be affected by changes in currency exchange rates.

Counterparty/Credit Risk

Your capital is exposed to the credit risk of Crédit Agricole Corporate and Investment Bank as the guarantor of the Note. If Crédit Agricole Corporate and Investment Bank defaults on its senior debt obligations you may suffer partial or full capital loss and potential return.

Please refer to the Brochure and Key Information Document (KID) for full details including key product risks.

IMPORTANT: All investment returns will be paid gross of tax. This marketing material has been produced by BCP, who are solely responsible for its contents. ARF is Approved Retirement Fund. PRB is Personal Retirement Bond. PRSA is Personal Retirement Savings Account. CAR is Compound Annual Return.
